A(na)non : Mapped Romania Vol. I: Transylvania: a glimpse of medieval times (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mapped Romania Vol. I: Transylvania: a glimpse of medieval times (Volume 1):

This book is a unique cultural travel guide aimed primarily at keen car travelers and highlights the most important attractions and scenic landscapes in Transylvania. With reference to medieval times, the guide contains detailed maps, general information, as well as beautiful photographs of the most relevant places of interest available on the suggested itineraries.
